The Amberley Room

The Amberley Room is our primary event space at the Mayerson Jewish Community Center. It's a versatile space appropriate for a wide variety of events from corporate trainings to nonprofit fundraisers, and social events such as wedding receptions or bar and bat mitzvahs. Equipped with audiovisual capabilities, stage & professional lighting, and WiFi, the Amberley Room can be customized to make your event everything that you imagine.

In the Spring and Summer, begin with a cocktail hour in the beautifully landscaped Courtyard before moving into the Amberley Room.

Start your corporate event off with coffee and a delicious breakfast buffet from J Catering served in the Gallery as participants are checking in.

Make your wedding reception or bar mitzvah party one to remember by customizing the room to fit your colors and theme.

The Mayerson JCC is centrally located off Ronald Reagan Highway via the Ridge Road exit; only about a 15 minute drive from anywhere within the I-275 beltway. Our building is handicapped accessible and rentals include free parking.

In addition to our large Amberley Room, we offer many additional smaller rooms for workshops, meetings, and more!

“My company has been renting the hall at Mayerson JCC since before it became JCC. The reason we come back is the beauty of the facility and the way we are treated. Every staff member we work with treats us like family and takes great care of all of our guests.”

Testimonials

"We have organized our annual Spring educational and Dinner/Entertainment program at the Mayerson JCC for the last two years. The staff at the J have been extremely pleasant to work with, have been extremely accommodative and flexible for last-minute requests and changes in plans. They have paid special attention to, and have been responsive to, religious and cultural sensitivities and I feel that they are committed to diversity and inclusiveness, despite being a religiously oriented community center."

– Shezad Saeed, APPNA of Greater Cincinnati

"The JCC staff's attention to every detail helped make this a meaningful and memorable event for all of our participants. And we loved hearing all of the complimentary remarks about the beautiful facility, convenient location, comfortable setting, and well-run event. We especially appreciate how supportive the staff was about all of our special requests and unique considerations for our speakers and participants. We are greatly looking forward to holding future Leukemia & Lymphoma events at the Mayerson Jewish Community Center!"

– Merle Coyle for the Leukemia & Lymphoma Society

"The staff was informative, understanding and professional in his comments and suggestions. He was eager to plan a wedding celebration which would meet the requirements of the orthodox community, as we had separate eating and dancing areas (by gender and mixed seating for family). This arrangement allowed for all of our invited guests and family members to feel a part of the festivities. Kudos and much appreciation for their efforts and thoughtfulness!"

– Susan Farber, Mother of the Bride

"The event team at the JCC made every aspect of the planning, execution, and experience of my son's bar mitzvah party a pleasure. Each person we dealt with through the course of the planning was professional, creative, and really listened to what we wanted to help make our event personal. The extremely knowledgeable staff provided us with invaluable suggestions that resulted in a flawless evening!"
