Shabbat Sing

Join us as we welcome Shabbat with songs and dancing!

Every Friday

Infants/toddlers, 11 - 11:30am
Preschoolers, 11:30am - 12pm

¹ **Mother's Nature**
Mother's Nature brings nature awareness to young children through a combination of costumes, storytelling, and "hands-on" encounters. Each program becomes an enriching and educational experience around nature and the earth. For ages 3+.

² **School House Symphony**
School House Symphony introduces young children to musical instruments and provides basic concepts of how music works. Through games and movement, children learn how to distinguish high sounds from low sounds, develop a feel for beat & rhythm, and listen for specific details in music. Each year's schedule also includes a storytelling program during which the children experience the powerful marriage of story with music. For all ages.

³ **Sunrock Farms**
Sunrock Farms is an educational farm that also provides a hands-on experience at our school, emphasizing the love for all animals and the human connection to our natural world. Children have the opportunity to see and touch farm animals and learn about their diets and behaviors. For toddlers & up.

⁴ **Park's Farm**
From goats to gardens and bees to barnyard, Park's Farm is an educational farm located within Winton Woods. With more than 100 acres, including indoor and outdoor playgrounds, picnic shelters, garden, orchard, and animals, Park's Farm is a great way to spend any day with the family. For ages 3+.
