Code of Conduct:

JCC Youth Programs

Camp at the J After School Program School Break Camps JCC Early Childhood School

These rules are in addition to the general JCC Policies and Procedures and Code of Conduct.

EXPECTATIONS

All children and staff at Camp at the J, After Crew, School Break Camps, and JCC Early Childhood School are protected by and provided with a safe and secure environment. Age-appropriate rules and expectations are based upon:

- Respect for the individual
- Respect for the environment
- Respect for others

It is important that children clearly understand behavioral boundaries. Rules are introduced at orientation and reinforced throughout the year. We understand that childhood is a process of learning to conform to rules and guidelines, and we view our role as enabling children to gain these important social skills in a positive environment.

REDIRECTION AND DISCIPLINE

When a child tests the rules, staff members immediately remind him or her of the rules and expectations. Redirection, explanation, and constructive solutions are the first line of techniques used by our staff when a child requires behavioral correction, unless the behavior is an immediate threat to the child or others. Staff members are expected to be fair and consistent with discipline and should not use demeaning language or raised voices. In addition:

PERSISTENT BEHAVIORAL PROBLEMS

Persistent unacceptable behavior will be handled in the following manner:

- The child's behavior will be recorded, dated, and initialed by all staff members involved.
- Staff shall meet to discuss the behavior and will develop a program plan to meet the individual needs of the child in question.
- The parents of the child will be contacted to discuss this plan, and enlist their input and cooperation.
- When necessary, the director may contact the appropriate professionals for guidance. This action will be taken with the written approval of the parents.

TERMINATION

When the individual needs of the child cannot be served by the program or program policies are consistently being disregarded, Camp at the J, JCC After Crew, JCC School Break Camps, and JCC Early Childhood School may terminate a child's enrollment in the program. Such termination decisions will not be made without prior consultation with the child's parents/guardians and will be communicated to the parents/guardians in writing.

In most cases, the parents will be given a grace period of three days to make other care arrangements for Camp at the J, JCC After Crew, JCC School Break Camps, and JCC Early Childhood School. However, the JCC reserves the right to terminate a child's enrollment at any point in time if a situation is determined to be extremely detrimental to the child concerned or to the other children or staff in the program.

Parents are financially responsible for tuition covering the period of attendance.

For parents terminating care from the JCC After School Program, notice must be received at least 30 days prior to desired date of withdrawal from the program.

For parents terminating care from the JCC Early Childhood School, notice must be received at least 30 days prior to desired date of withdrawal from the program. The initial deposit made upon enrolling the child will be deducted from the final payment.

POSSIBLE REASONS FOR TERMINATION OF ENROLLMENT:

A child may be terminated from Camp at the J, JCC After Crew, JCC School Break Camps, and JCC Early Childhood School if the child's behavior is having a consistent negative effect on the well-being and development of other children. Factors to be considered include, but are not limited to:

- The possibility of danger to the child or others in the program.
