Enrollment Policies

1. All children are accepted on a trial basis. If the JCC Early Childhood School staff feels that our program is not meeting the child's needs, we reserve the right to terminate enrollment.
2. If for any reason you decide to withdraw your child, written notice must be received at least 30 days prior to desired withdrawal date.
3. **Fees are not prorated or refunded due to absence** for any reason, including weather, illness, or quarantine regulations affecting your child and/or group; the closing of school due to legal and Jewish holidays, inclement weather, or other reasons; or family vacations.

A non-refundable \$275 fee per child must accompany this enrollment application.

Wait List Policies

If a spot opens, you will have two business days to accept or decline the spot for your child. If you accept the spot, we can hold it for up to two weeks from the date of acceptance. In the event that you decline, the spot will be offered to another family on the list. You may request to stay on the wait list, but you will not be guaranteed another offer.

When a child on the wait list is less than three months from his/her birthday, we will automatically move your child to the next appropriate wait list. For example, if a child on the infant wait list reaches 18 months of age, he/she will be placed on the toddler wait list. A child will be placed on the new list based upon the date his/her original enrollment form was received.

Every potential applicant will be treated with the highest regard irrespective of his/her race, sex, age, color, religion, national origin, ancestry, or disability.

Please list the earliest date that your child will be ready to begin. Families may choose a date that is earlier than their child's start date and begin paying tuition to secure their spot.
