

What to expect at the Fall Market!

We are going to the JCC Fall Market! The Fall Market is in the JCC's parking lot. The market is from 10am to 2pm and we can come whenever we want during that time.

There is a lot to see at the Fall Market. When we arrive, we can stop by the welcome table. They will have sensory tools such as earplugs or fidgets. We can also just go straight in and start exploring the vendors!

Parking at the J can get crowded during the Fall Market. We can park at the additional parking locations across the street and next door. If we park far away, there will be a shuttle to pick us up and drop us off at the market.

What to expect at the Fall Market!

The Fall Market is a place to shop and visit with friends and family. We can walk around to different booths!

Some booths sell items like crafts, jewelry, fidgets, gifts, or clothes.

Other booths sell food to eat at home, like honey, vegetables, or bread.

What to expect at the Fall Market!

We can also get a treat to eat and sit outside or walk around while we enjoy it. Sometimes the vendors selling food are noisy or smell strongly. If we need some space away from them, we can move to another part of the market or go sit inside at the J Cafe.

Some booths have games and free things to take. The people working the booth will tell us the rules of the games or how to get a prize!

The Fall Market is a fun place to get to know people in the community.
