

# What to expect at **Pokémon Club**

I am going to Pokémon Club at the JCC. Pokémon Club is a place for kids who like Pokémon, to hang out with new friends, and have fun!

When we arrive at the JCC, we will go in the front door. If we are JCC members, we can use our badge to go through the gates. If we are not JCC members, we will tell the Welcome Desk we are here for Pokémon Club! Then, we will walk to the birthday party room.

I can bring my cards or other Pokémon items to Pokémon Club, but I **cannot** trade during Pokémon Club. If me and another kid want to trade, we can wait until our grown ups come to pick us up and talk with them about it.

# What to expect at **Pokémon Club**

There are lots of things to do at Pokémon Club! I can color pictures, play Pokémon, or show other kids my cards and Pokémon items.

There might be kids I do not know at Pokémon Club. Everyone at Pokémon Club likes Pokémon, so that would be a good thing to talk about with a new friend! I could say something like "Do you want to see my cards?" or "What cards do you have?"

During Pokémon Club, we will also play Pokémon Trivia. Swess will ask us some questions and we will try our best to answer. Two people will win a prize at trivia. If I win, I might feel excited. If I do not win, I might feel disappointed. If I am feeling any big feeling, I can ask for space or take a deep breath.

We also eat pizza at Pokémon Club! If I don't want pizza, I can say "No, thank you." Swess will save a piece for me in case I change my mind later.

Pokémon Club is a fun place to make new friends, take turns, and share my excitement about Pokémon!
